

JESUS IS LORD MINISTRIES UGANDA

When we finished the building of Florence Bengo's house 13th April 2013, we took a brief tour in the village; we did not know that God was leading us to help another widow who urgently needs help! God led us to this widow called Rachael Nabiry who is blind of 86 years, she is staying with two of her daughters children who died of AIDS and they are the ones who are now taking care of her which has made these children not to get a chance of going to school. The whole house needs to be renovated, the roof links when it rains which causes them not sleep some times when it rains at night. We need your support to help Rachael and we can do it with your support.

Name: Rachael Nabiry

Age: 86

Occupation: none

Health Status: Blindness and advanced age

This is the picture of her full house which she sleeps in with those two kids, the iron sheets of the roof are all very old and they leak when it rains. The whole roof needs to be removed and then replace a new one and that is what we need to do for her - if you can help us to do it.

Rachael and the kids sleep down on the floor, as you can see her old mattress in the photo! She really needs your support and we are requesting that you give what you can for this widow and the children.

We sat as a committee and made a budget for renovating Rachael's house as shown below and you can pick to buy an item of your choice,

ITEM	QTY	AMOUNT \$
Iron sheets	12	\$ 300
pools	20	\$ 65
Door and window	1 each	\$ 57
Nails	3 kg	\$ 20
Builders (2)		\$ 60
Transport		\$ 35
TOTAL		\$ 537

Thank you so much for helping us to help others.

God bless you.
